¹The [Texas Accountability Intervention System \(TAIS\) process](#) includes data analysis, needs assessment, improvement planning, and implementation and monitoring.

²All Priority campuses (regardless of state designation), will be provided 110 hours of PSP services paid for by TCDSS.

³Public meetings must be held to solicit input for the development of plans; and in addition to board approval, plans must be presented in a public hearing.

⁴If campus is also Priority, the DCSI and principal are required to attend the Advancing Improvement in Education (AIE) conference.

Priority-Progress (met standard in 2015 & 2016) are required to attend AIE and should address continuing improvement efforts in their campus improvement plan.
